

Fundraiser Information:

Bottle & Can Drives

Bottle & Can Drives are one of the easiest ways to earn money for your non-profit group/organizations. No "SELLING" Required! We work with you on what kind of collection method is right for "YOUR" fundraiser. Clean box containers or bag service can be provided to help with the collection. Our team is here to help make the collection easy for everyone involved. Back at AGA Recycling we are ready to process your bottles and cans to get your group turned around in 24 hours. Our goal is to get your money back to you so you can get it used for the good of your group and the community.

1. Collect, Collect, Collect!!
2. We Pick Up & Count!
3. Get Paid Cash !!

You earn 100% of the profit!!

Parents are not pressured to buy or sell anything!

Children and all participants are helping clean up the neighborhood while raising money!

We currently take most NYS 5¢ returnable empty bottles and cans, and most store brands. We are very proud to assist in several great fundraising programs for non-profit groups, i.e. Boy Scouts, Girl Scouts, Churches, Choir Groups, and School Classes etc.
